

Preparing Teachers for EDNET Technology

Instructors:

George Miller, Utah State Office of Education, EDNET Faculty Training Specialist.

[Zachary Tippetts](#), Utah Education Network, EDNET Technical Training Specialist.

Target Audience:

- Teachers, Administrators, Facilitators, and Coordinators currently involved in distance learning activities.
- Teachers and Administrators planning to produce a distance learning class.

For locations, dates, and times please visit our [information page](#).

Prerequisite:

Technical training provided by the Utah Education Network (UEN).

Credit:

20 hours of USOE re-licensure credit based upon successful completion of requirements.

Certification:

Upon successful completion of this training participants will obtain USOE Distance Learning Certification which is required for teaching K-12 distance learning classes.

Please note that certificates will only be awarded upon completion of courses offered and taught by George Miller (faculty trainer), and Zachary Tippetts (technical trainer).

Abstract:

Teachers, Administrators, and others involved in distance learning or planning to produce a distance learning class via EDNET must complete a 20 hour certification class provided by Utah State Office of Education (USOE) and Utah Education Network (UEN). Large and small group instruction in distance learning technology will be presented, as well as opportunities for participants to demonstrate newly learned techniques. Teachers and facilitators will have the opportunity to actually teach over EDNET. The [EDNET Faculty Training Manual](#) and the [EDNET Users Manual](#) will be used as a guide for training activities.
